PEDALING FOR PARKINSON'S

More than one million Americans are living with Parkinson's disease and nearly 60,000 new diagnoses occur each year. There is no known cure, and the risk of developing Parkinson's disease increases with age. Pedaling for Parkinson's uses group cycling and support to reduce symptoms in Parkinson's disease suffers and improve the quality of life of patients and their caregivers.

YMCA staff are trained by certified indoor cycling instructors following the Pedaling for Parkinson's protocol and monitor heart rate and exercise frequency.

Eligibility Requirements

- Adults ages 30-75
- Parkinson's disease clinical diagnosis, medical clearance
- YMCA membership not required

Monthly Fee:

3x a week Members \$50 members/General Public \$75

MOVING FOR BETTER BALANCE

Helping You Feel Strong, Steady and Safe

Feeling unbalanced or unsteady can prevent you from taking part in basic everyday activities like cooking a meal or taking a walk with a friend. When

you're hesitant to be active, you may feel like life is passing you by. Moving for Better Balance can help you maintain your independence!

This 12-week, evidence-based group exercise program is based on the principles of Tai Chi teaching eight movements modified especially for fall prevention. Goals include improving balance, muscle strength, flexibility and mobility to enhance overall physical health. The safe and supportive group setting offers an opportunity to enjoy learning with like-minded adults and find relief from the isolation that can sometimes accompany living with limited mobility.

Eligibility Requirements

- 65 years or older, physically mobile, with impaired stability and/or mobility
- 45 years or older with a chronic condition that may impact stability and/or mobility

Monthly Fee:

2x per week Members \$15 members/General Public \$25

ENHANCE® FITNESS

Modified Moves, Maximum Results

Enhance® Fitness is an evidence-based group exercise program that helps older adults at all levels of fitness become more

active, energized, and empowered to sustain independent lives.

Enhance Fitness focuses on dynamic cardiovascular exercise, strength training, balance, and flexibility—everything older adults need to maintain health and function as they age, manage arthritis and reduce the risk of falls.

Participants have experienced the following changes:

- More energy
- Better balance
- Increases in upper body and lower body strength
- More flexibility and range of motion
- Better sleep
- More feelings of happiness
- Sense of independence

What participants can expect:

- Classes meet three times per week for 60 minutes each.
- Stand, sit or hold onto a chair for support.
- Focus on strength, flexibility, movement and balance.
- Make friends who support and cheer you on.

Monthly Fee:

3x per week Members \$20 members/General Public \$30

LIVESTRONG® AT THE YMCA

LIVESTRONG is a research-based physical activity and well-being program designed to help adult cancer survivors reclaim their total health. Participants work with Y staff trained in supportive cancer care to safely achieve their goals such as building muscle mass & strength; increasing flexibility & endurance; and improving confidence and self-esteem. By focusing on the whole person and not the disease, LIVESTRONG at the YMCA is helping people move beyond cancer in spirit, mind and body.

This is a 12-week program. **To learn more, contact: Andrea Bravo, abravo@ymcaracine.org or call 262.898.4551.**

TAI CHI

This centuries-old Chinese martial art descends from qigong, a discipline that has its roots in traditional Chinese medicine. Tai Chi involves a series of movements performed in a slow, focused manner and accompanied by deep breathing. This class has physical and mental benefits. With regular practice, Tai Chi improves muscle tone, flexibility, balance and coordination. Many older adults find that it boosts their energy, stamina, agility, sharpens their reflexes and gives an overall sense of wellbeing.

Aaron Richie, certified Tai Chi instructor will lead you through an hour long class. Pre-registration is required! Minimum enrollment: 6. Same day drop ins will be accepted.

Sessions Available:

Wednesday 10:30-11:30am
Friday 10:30-11:30am
Saturday 10:30-11:30am
