

SC JOHNSON
COMMUNITY AQUATIC CENTER
AT PRITCHARD PARK

RULES AND CLOSURES

Supervision Guidelines

In order to provide a safe and positive experience for the youth of our community, the following supervision guidelines will be followed for all YMCA members and guests. "Supervising Adult" is defined as an individual 18 years or older.

The following guidelines apply to all children using the SC Johnson Community Aquatic Center, including the waterpark, Locker rooms and concessions areas.

- **Swim suits are required by all swimmers. Shorts and t-shirts are not allowed in the pools.**
- **Children 16 & Up** are not required to be accompanied by a supervising adult or take a swim test.
- **Children 12 & up** are not required to be accompanied by a supervising adult, are required to take a deep water swim test or stay in areas designated for non-swimmers
- **Children 8-11** are required to be accompanied by a supervising adult who remains in the waterpark, take a swim test or stay in areas designated for non-swimmers
- **Children 7 & under** are required to be directly supervised at all times by a supervising adult.
- **Children 4-7** must be in the water with an adult, take the shallow water swim test or stay in areas designated for non-swimmers
- **Children under 3** must be in arms reach of a supervising adult at all times when in the water.
- It is highly recommended that you wash your hands with soap and water frequently.
- Do not use the pool if you have a cough, fever or other symptoms of COVID-19 or GI tract symptoms including nausea, vomiting or diarrhea in the past two weeks.
- Bring your own lock for lockers on deck; coin-operated lockers are not available.
- Gather your belongings at the end of your swim session; we maintain a lost and found for valuables only.

COVID-19 WARNING & SC Johnson Community Aquatic Center Requirements

The danger of exposure to the coronavirus that causes COVID-19 exists. Please follow current CDC guidelines for wearing masks, social distancing and gathering in groups. By entering the pool and related facilities, you are taking you are taking responsibility for your own protection.

- Seating cannot be moved and carry-in seating is not permitted.

Pool Closure Policy

It is our goal to keep the SC Johnson Community Aquatic Center open as much as possible but Wisconsin's unpredictable weather can affect the best-laid summer plans. On questionable weather days and before you grab your suit, towel and sunblock; **visit our Y Facebook page or call 262.347.4997 and press #3 to see if the pool is open.**

Lightning and Thunder: When thunder or lightning is first noticed, outdoor pool activities will be suspended and all outdoor pools and pool decks will be evacuated until 30 minutes after the last sign of thunder or lightning. The distance from a facility to an approaching thunderstorm can be five to eight miles away, but lightning can strike from a much farther distance.

Rain/Wind: Heavy rain can make it difficult to see the bottom of a pool or beneath the surface. If heavy rain causes bottom obstruction, pools will be cleared and swimming halted until the rain lets up. Wind can also cause safety hazards. If wind is observably strong or gusty and causes bottom obstruction due to rippling, swimmers will be cleared from pools until the bottom is visible.

The Y management of the SC Johnson Community Aquatic Center reserves the right to close the pool in the event of inclement weather, low air temperatures: 65° or below or mechanical & chemical failures. If there is a light bather load, areas of the pool may close. Refunds will not be issued for weather-related or light bather load closures.
