

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

A group of people are sliding down a large, curved orange water slide. They are wearing swimwear and life preservers. The slide is set against a backdrop of a swimming pool and some buildings.

OUR MISSION:

to put Christian principles into practice
through programs that build healthy
spirit, mind and body for all.

YMCA 150th Celebration: A Twirl Through Time

The Racine Family YMCA celebrated a milestone event, the "YMCA 150th Celebration: A Twirl Through Time," commemorating 150 years of dedicated community impact, connection, and growth.

Celebrating 150 years is a testament to the incredible community support that has allowed the Racine Y to champion youth development and healthy living for generations. We look forward to gathering with our partners and members for a night of celebration as we commit to building a stronger future together.

— Tamarra Coleman, CEO, Racine Family YMCA

**This is a place that makes me feel like I have
a home to go to, apart from my real home.**

-Joan J. | Racine Family YMCA Member

FOR YOUTH DEVELOPMENT

At the YMCA, every child deserves the opportunity to learn, grow, and thrive. From early childhood through the teen years, we create safe, supportive spaces where young people build confidence, skills, friendships, and healthy habits for life.

Youth Sports

Youth sports at the Y are about more than the score. Our programs help kids of every ability develop skills, confidence, teamwork, sportsmanship, and a lifelong love of being active. In 2025, the Racine Family YMCA had 114 sports programs with 1,750 kids participating.

Young Leaders Academy

Young Leaders Academy provides a safe, enriching after-school environment for students in grades K-5. Through academic support, tutoring, leadership development, enrichment activities, and mentoring, students can learn, connect, and prepare for what comes next.

Summer Meal Programs

Racine has a poverty percentage of 19.8%. The George Bray Neighborhood YMCA Branch served 800 FREE meals to the community Monday-Friday in partnership with Brenner Beats Hunger. 1 in 14 people in Wisconsin are food insecure. Ten plus hours per week were dedicated to giving healthy and nutritious meals to the community.

The group fitness classes are my favorite part; the instructors are so fun and energetic.

Harmon T. | Racine Family YMCA Member

FOR HEALTHY LIVING

The YMCA aims to improve our nation's health by providing programs and activities that promote overall well-being, no matter where you are on your journey toward better health. And when people feel their best and have fulfilling lifestyles, their communities become stronger too.

Group Exercise Programs

YMCA Group Exercise Programs bring together health seekers of all ages, backgrounds and skill levels in a fun, supportive environment where they move, groove and sweat their way toward better well-being. Highly trained staff develop and lead the programs and often tailor them to the specific needs of their community. The Racine Family YMCA offers 83+ group fitness classes for all ages and fitness levels each week.

Exercise for Parkinson's

More than one million Americans are living with Parkinson's disease and nearly 60,000 new diagnoses occur each year. Our Exercise for Parkinson's class is designed to help individuals with Parkinson's maintain an active and healthy lifestyle. A total of 79 individuals diagnosed with Parkinson's disease participated in our Exercise for Parkinson's program, helping improve their quality of life and reduce symptoms.

LIVESTRONG

LIVESTRONG is a research-based physical activity and well being program designed to help adult cancer survivors reclaim their total health. A total of 12 cancer survivors participated in our LIVESTRONG program, experiencing improvements in confidence, self-esteem, and strength.

Just the fact that something that's needed is coming to this area is a relief for so many families.

-Karon Thomas | George Bray Branch Director

FOR SOCIAL RESPONSIBILITY

The YMCA believes strong communities are built when everyone feels welcome, included, and empowered to reach their full potential. We bring together people of all ages, backgrounds, and perspectives and work to address community needs, create connections, and inspire positive change.

Safety Around Water

The Aquatics Center is proud to introduce the Safety Around Water initiative to our community. While we are fortunate to live near beautiful Lake Michigan, it is important to recognize the dangers that can come with both open water and pools.

Our goal is to equip children and families with the knowledge, skills, and confidence to stay safe around water. Drowning is the second leading cause of unintentional injury-related death among children ages 1–14, and these tragedies can happen quickly and unexpectedly. In 2025, more than 260 youth participated in our water safety programming. We look forward to reaching even more children and families and making an even greater impact in our community.

The Y is for ALL

Our mission at the Racine Family YMCA is to welcome everyone in every stage of life through our doors. With your donations we are able to provide assistance to those who require financial or disability aid. It is a continued honor to give support to the Racine community and maintain the health of our community in mind, body and spirit.
