LOVE YOUR HEART

BLOOD PRESSURE SELF MONITORING PROGRAM

The Blood pressure Self-Monitoring program helps adults with hypertension lower and manage their blood pressure. The four-month program focuses on regulated home self-monitoring of one's blood pressure using proper measuring techniques, individualized support and nutrition education for better blood pressure management. With the support from a trained Healthy Heart Ambassador, participants:

- Measure and record their blood pressure at least two times per month
- Attend two personalized consultations per month
- Attend monthly nutrition education seminars

Cost Members \$40 / Community Participants \$65

NEW SESSION starting Monday, January 30, 2023.

NATIONAL DIABETES PREVENTION PROGRAM

The National DPP lifestyle change program is an evidence-based program focused on helping participants make positive lifestyle changes such as eating healthier, reducing stress, and getting more physical activity.

Research shows that people with prediabetes who take part in this structured lifestyle change program can cut their risk of developing type 2 diabetes by 58% (71% for people over 60 years old). This is the result of the program helping people lose 5% to 7% of their body weight through healthier eating and 150 minutes of physical activity a week.

- NDPP is a year-long program that is delivered in person, online, or through a combination approach. The program includes at least 16 weekly sessions during the first 6 months and at least 6 monthly sessions during the second 6 months.
- The program is taught by trained lifestyle coaches.
- The program includes group support.
- CDC-recognized program.

Cost Members \$450 / Community Participants \$500

NEW SESSION starting Monday, February 27, 2023.

YMCA Mission Statement

To put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

PEDALING for PARKINSONS

More than one million Americans are living with Parkinson's disease and nearly 60,000 new diagnoses occur each year. There is no known cure and the risk of developing Parkinson's disease increases with age. Pedaling for Parkinson's uses group cycling and support to reduce symptoms in those affected by Parkinson's disease and improves quality of life for patients and their caregivers. YMCA staff are trained by certified indoor cycling instructors following the Pedaling for Parkinson's protocol and monitor heart rate and exercise frequency.

Eligibility Requirements

- Measure and record their blood pressure at least two times per month
- Adults ages 30-75
- Parkinson's disease clinical diagnosis, medical clearance
- YMCA membership no required

LIVESTRONG® AT THE YMCA

LIVESTRONG is a research-based physical activity and well-being program designed to help adult cancer survivors reclaim their total health. Participants work with Y staff trained in supportive cancer care to safely achieve their goals such as building muscle mass and strength, increasing flexibility and endurance and improving confidence and self-esteem. By focusing on the whole person and not the disease, LIVESTRONG at the YMCA is helping people move beyond cancer in spirit, mind and body.

NEW SESSION starting Tuesday, February 7, 2023.

TAI CHI

Tai Chi is a centuries-old Chinese martial art that descends from qigong, an ancient Chinese discipline that has its roots in traditional Chinese medicine. Tai Chi involves a series of movements performed in a slow, focused manner and accompanied by deep breathing. This class has physical and mental benefits. If done regularly, it improves muscle tone, flexibility, balance, and coordination. Many older people find that it boosts their energy, stamina, agility, sharpens their reflexes, and gives an overall sense of well-being. Aaron Richie, certified Tai Chi instructor will lead you through an hour long class through an 8-week session. Pre-registration is required!
