SPECIALTY TRAINING PRE & POST REHAB TRAINING

An injury can have a dramatic effect on the quality of life. Recovery from injury or surgery can present a number of challenges that may take a physical, mental and emotional toll. The pre-rehab training will prepare you for your upcoming surgery. The post-rehab program provides a continuation of healing for individuals recovering from musculoskeletal injuries, after discharge from rehabilitative services and will assist you in returning to not only your normal daily activities but also to help you meet any fitness or sports goals. Your Physical Therapist will work directly with your certified Personal Trainer to relay the history of your injury or surgery and physical therapy as well as ensure appropriate exercise progression. Program fee includes an eight-week program consisting of 12 visits with a certified personal trainer. Two 45-minute sessions per week during the first four weeks. One 45-minute session per week for the second four weeks. Sessions include warm up, land or water program and cool down/stretch.

Fees: Members: \$350 members | Community Participants: \$450

SGPT: TRX TRAINING

Get fast, effective, total-body workouts with TRX to strengthen your core, improve stability and increase muscular endurance.

TRX is a total body resistance exercise that uses a suspension training system, making it possible for you to use your own body weight and gravity for an effective workout. Participants can customize the difficulty of their workout by making simple adjustments to the TRX system. Small Group Training offers individual attention by a certified personal trainer.

TRX Fusion: Mon 8:30-9:30am or Fri 5:00-6:00am
 TRX 30 Thu 8:30-9:00am or Fri 8:00-8:30am
