

HEALTHY LIVING

Improving the nation's health & well-being.

The RACINE FAMILY YMCA health and fitness classes and programs are designed to build inner and physical strength. Those who engage in fitness programs enjoy the benefits of a healthier heart, lungs, bones and muscles. They also get to enjoy the benefits of friendship and community. By exercising within the limits of one's ability and learning ways to live a healthier lifestyle, individuals may improve their quality of life.

Most fitness classes are **FREE** for members, however classes do have daily maximums and are filled on a first come, first served basis. **Please register ahead to ensure availability.** Classes are subject to cancellation if minimums are not met.

ABS & TONING

A challenging workout that tones & sculpts the entire body, using body weight, hand weights, resistance cables, stability balls and medicine balls.

ACTIVE OLDER ADULTS

A cardio, strength & flexibility workout for the mature member.

AQUACISE

Reduce the stress on your joints with a great cardio & resistance workout using noodles and buoys to tone and sculpt muscles.

AQUAROBICS

Aerobic exercises, dance movements, cardio conditioning, body isolations with the results being total body conditioning.

AQUA SPLASH

Fun, shallow waters exercises to improve agility, flexibility, and cardio endurance. No swimming skills required. You will use buoys, noodles & a special kickboard to develop strength, balance and coordination.

BODYFLOW™

BODYFLOW™ is the yoga-based class that will improve your mind, your body and your life, as you bend & stretch through a series of simple yoga moves & embrace elements of Tai Chi and Pilates. You'll strengthen your entire body & leave the class feeling calm & centered.

BODY FUSION

Total body workout with free weights, bands, balls

BODYPUMP™

BODYPUMP™ is for anyone looking to get lean, toned and fit – fast. Using light to moderate weights with lots of repetition, BODYPUMP™ gives you a total body workout. Burn up to 590 calories. You'll leave the class feeling challenged & motivated.

BOOMERS CARDIO CIRCUIT

A standing exercise class where Boomers, 55 or better, tone using cables and hand weights to strengthen, as well as sticks and small balls for hand dexterity. Up-beat music, with a great cardio workout.

CORE DE FORCE™

KICKBOXING and MUAY THAI in 3-minute rounds – CORE DE FORCE workouts are broken into 3-minute "rounds"—just like a real boxing match. For 3 minutes, you'll attack Boxing, Kickboxing, and Muay Thai combinations. Bodyweight moves with a fat-blasting cardio spike in every round.

CORE FUSION

Build full body strength focusing on the core muscle groups, using resistance bands.

DEEP WATER AQUACISE

A social deep water fitness class, using flotation belts, water resistance, dumbbells and noodles to give a full body workout.

DEEP WATER FITNESS

NO SWIMMING SKILLS NEED for this fun aqua class. Using flotation belts (optional and provided), participants will work out in zero-impact suspension in the large pool at own fitness level whether staying active, working aerobically, core strengthening or toning.

DOUBLE STEP

60 minutes of step cardio using 2 steps.

EXTREME INTERVAL STEP

This step class challenges cardio endurance with varying intervals.

FREE WEIGHTS

Upper body toning using dumbbells, bands & balls

GOLDEN WAVES FUNCTIONAL WATER TRAINING

Build stability of the core muscles in various ways, using exercise equipment in the water that strengthens & challenges the muscles.

GUTTS-N-BUTTS

An intense workout to strengthen & define your abs, legs & glutes!

HIP HOP HIIT

An intense cardio bootcamp workout to the beat of Hip Hop music.

HIP HOP CYCLE

An intense cycling workout to the beat of Hip Hop Music. **Pick up your cycle pass at the Welcome Center Desk. Class is first come first served.**

INDOOR CYCLING

An intense cardio workout in our indoor cycling class. Every workout is designed to challenge all fitness levels. **Pick up your cycle pass at the Welcome Center Desk. Class is first come first served.**

INDOOR CYCLING 30

A 30 minute Indoor cycling class, great for beginners and seniors.

INSANITY® LIVE (not for the beginner)

An intense cardio & calisthenics workout uses no equipment. Participants will perform long bursts of maximum intensity exercises with short periods of rest alternating between anaerobic and aerobic intervals.

JOINT EFFORT

A warm-water aquacise class designed to enhance range of motion for those with arthritis.

KICKBOXING

A kickboxing class using the upright bags, with punching and kicking drills. Core work and stretching completes the class. (Intermediate/Advanced)

LOWER BODY BLAST

20 minutes of targeted gluteal and leg training for strength and toning with a warm-up and cool down/stretch.

MATURE MUSCLES

For those 55 or better who are looking for an energetic workout that engages both mind and body. This class uses hand weights and cables for toning and stability balls for core strength. Fun music brings the group through one hour of cardio and toning.

METABOLIC MELTDOWN

Cardio & weight lifting intervals, body burning fat & building muscle, using dumbbells, medicine balls, weighted bars, steps, bosu ball and bands.

P90X® LIVE (not for the beginner)

Short training cycles will constantly challenge muscles with variety and intensity. P90X Remix combines resistance, plyometrics, and cardio style workouts, known as muscle confusion. Never plateau your workout.

PILATES

Pilates classes are performed on a mat. All exercises are zero impact and easy on the joints, strengthening the core muscles and gently increases flexibility. Instructors help participants modify exercises to accommodate all levels.

HEALTH AND WELLNESS

PILATES STRETCH

A combination of Yoga and Pilates, giving you a great workout with both workouts in one.

PILOXING®

A surprising blend of Pilates and boxing that will capture your interest and transform your body.

RIP TIDE

A challenging high energy water fitness class with music from all genres. Aqua tabata is incorporated into the class.

SILVER SNEAKERS®

Silver Sneakers classes are safe, multilevel, and equipment-based total body conditioning classes for Medicare-eligible participants. Classes improve muscular strength, increase range of motion and flexibility.

SILVER SNEAKERS® CARDIO CIRCUIT

Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength using hand-held weights, elastic tubing with handles and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, stretching, and relaxation exercises.

SILVER SNEAKERS® YOGA

A series of seated and standing yoga poses. Chair support is offered so you can perform a variety of seated & standing postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises & final relaxation will promote stress reduction & mental clarity.

SINGLE STEP-BAR INTERVAL

Full body toning using body bars mixed with cardio on the step.

STEP

All step classes are multi-level to appeal to everyone. Classes are taught by experienced energetic instructors.

STRENGTH TRAINING

Improving muscular strength by gradually increasing resistance through the use of free weights and body weight. Strength training is designed to impose increasingly greater resistance, stimulating muscle strength to meet the added demand.

TABATA HIIT

An intense workout that will take you thru Tabata Drills (20 sec) using the HIIT (high intensity interval training) concepts.

TONING

Using stability balls, hand weights and resistance cables to tone and sculpt a healthy body.

TONING AND BALANCE - LIGHT

Keep your entire body toned and fit in this energizing class. Challenging balance exercises will keep you on your toes.

TRI-FITNESS SWIM WORKOUT

Stroke analysis & technique, drills, speed, endurance & efficiency. To join this class participants must be able to complete 25 yards & be safe in deep water. Our coaching staff will teach participants the rest. Great for Triathlete & fitness swimmers alike, looking for a pool challenge in a team environment.

Wednesday/Friday 6:00-7:30am Lakefront Branch

Monthly Fee: \$25 Member/\$40 General Public (2x/week)

Monthly Fee: \$40 Member/\$60 General Public (4x/week)

WATER WORKS

High impact class moving to the beat of the music with cardiovascular fitness, coordination, flexibility and range of motion.

YOGA

Rest & relax in this class using stress relieving techniques along with yoga asanas.

YOGA - CHAIR VINYANSA

Enjoy the benefits from Yoga seated in a chair. Working on leg strength, range of motion in shoulders & hips, both static & dynamic balance, core strength, stamina & flexibility.

YOGA - GENTLE HATHA

Slow & gentle paced, concentrating on physical health & mental well being. Hatha yoga uses bodily postures & breathing techniques, with the goal of promoting balance & flexibility while bringing about a sound, healthy body & clear, peaceful mind.

YOGA - HOT VINYASA (was Hot Yoga)

Hot yoga is vinyasa-style flow that is hot & sweaty, performed in a warm room because heat is purifying, cleansing & healing. Gain strength, flexibility & balance -intermediate flow. Added warmth prepares muscles & connective tissue for deeper stretches & facilitates perspiration which serves to cleanse the mind & body.

YOGA - VINYASA FLOW

Traditional yoga, flowing from one posture to another, including pose holds and deep stretches. All levels welcome.

YOGA - VINYASA

Fun, engaging class including sun salutations, standing poses, balancing postures, seated & reclining poses, all while connecting each pose to the breath. Modifications are explained for all postures to suit the needs of all ages & skill levels

ZUMBA®

Zumba is a Latin dance-based fitness class. Salsa and merengue your way to a healthy, fit body.

ZUMBA® TONING

Zumba Toning will target the abs, thighs, arms and other muscles throughout the body with the use of toning sticks or light hand held weights.

HEALTHY LIVING SPECIALTY PROGRAMS

DIABETES PREVENTION PROGRAM

At high risk of developing Type 2 Diabetes? The YMCA Diabetes Prevention program helps participants make lifestyle changes that will improve overall health & well-being and reduce the chances of developing the disease. To qualify, participants must be at least 18 years old, overweight (BMI>25) & at a high risk for developing Type 2 Diabetes or have been diagnosed with prediabetes. This is fee based program with 26 sessions meeting throughout the year. Payment plans are available. To see if this program is a covered benefit, please check with your employer, health insurance provider. **Call 262.898.4551 for more information.**

LIVESTRONG® AT THE YMCA

A twelve-week, small group program designed for adult cancer survivors. A survivor is anyone from the moment of diagnosis, throughout treatment & into remission. This program supports the increasing number of cancer survivors so they can become physically & emotionally strong enough to return to their normal life or their "new normal". The program is conducted outside of medical facilities to emphasize that LIVESTRONG at the YMCA is about health, not disease. **Call 262.898.4551 for more information.**

PARKINSON'S FITNESS CLASS

Participants may get a referral from physical therapy or their primary care physician. AFTER an assessment, participants will be involved in a one hour fitness class. Up to 30 minutes are spent walking on a treadmill to improve gait speed and balance. Another 30 minutes are spent in a toning/flexibility class with a focus on improving posture & balance. **Call 262.898.4554 for more information.**

Sealed Air Branch (Fee based)

Monday/Wednesday 1:30pm-2:30pm & 2:45pm-3:45pm
